

swanson-trailwork

Swanson Park Trail Day, 21 April 07, 8:30am

Goal for the day: Trim up all new eye-poker growth and fix any real bad water erosion/wet riding damage

Tools: Need folks with lopers and a couple shovels

This should serve as the primary clean up before the 1st Swanson race.

Beverages and snack-age following the clean up.

Expect to finish not later than 11:59am
