

Wilderness Park Trail Days

We are needing some serious help here in Lincoln at Wilderness Park. Mother Nature took a dump, the creek washed a lot of dead wood into the trail and then there are the blow downs.

Trail Work Days - Sat. June 28th and Sun June 29th - 10am-3pm

Meet: Old Cheney Trail Head at Old Cheney Road east of 1st street, west of the railroad tracks.

What to Bring: Chain Saw, Ax (to get the chain saw unstuck), Loppers, hand saws, Chaps, Gloves, fuel bottles and an extra bar, Long Pants for sure. I will bring 5 gal water jug and some brownies, nuts etc. BRING BUG JUICE!!

Work to be done: Clear trail of the debris Mother Nature left behind.

Help when you can - for a few hours, a day, or both days. Your work is appreciated.
